WE THOUGHT YOU'D LIKE TO KNOW.....

- Each driver gets one qualifying run that does not count as competition.
- Class S racing is on a double-elimination basis, i.e., a driver is not eliminated until having two losses. Classes A, B and C race under a triple-elimination basis.
- The six fastest cars in Class A, B and C become "finalists" and compete in the finals racing for 1st, 2nd and 3rd within their class. The 1st place cars in each class go on to compete for the title of "Champion of Champions".
- All decisions made by the Technical Committee are final!
- When a car is eliminated from competition, it is to be taken to the area just West of the starting ramp to remove and return its wheels and brackets.

- The New Berlin Police Department was the driving force in starting the Derby in 1965.
- The Derby has been postponed due to weather only once in 29 years!
- The Soap Box Derby Commission is a non-profit corporation consisting of volunteers interested in kids and racing. Our track facility was built with private funds and donated to the City. The Commission operates independently of, but in cooperation with, the City of New Berlin.
