MORE INFORMATION ABOUT THE NEW BERLIN SOAP BOX DERBY

- Drivers have the option to use their car numbers from last year, or choose new car numbers on a first-pick basis.
- **Car number 1** is reserved for the defending "Champion of Champions."
- Drivers randomly draw for their sponsors each year on a first-pick basis. Sponsors are not carried over year-to-year.
- Drivers and crews select their own wheels and axle brackets from Commission-supplied stock. At the end of the event, the Champion's wheels and axle brackets are locked-up and are taken out of circulation for one year.
- The New Berlin Police Department was the driving force for starting the Derby in 1965.
- The Derby has been postponed due to weather only twice in 50 years!
- The Derby Commission is a non-profit corporation consisting of volunteers interested in kids and racing. The Commission operates independently of, but in cooperation with, the City of New Berlin and the New Berlin Parks, Recreation & Forestry Department.
- Our track facilities were built, and are maintained, with private funds, and are donated to the City of New Berlin.
