***** The NEW BERLIN SOAP BOX DERBY COMMISSION is looking for new MEMBERS *****

WE THOUGHT YOU'D LIKE TO KNOW.....

- ⇒ Each driver gets one practice run that does not count in competition.
- ⇒ Class S racing is on a double-elimination basis. Class A, B, & C racing is on a triple-elimination basis.
- ⇒ The six fastest cars in each Class A, B, and C become finalists and compete in the finals racing within their class immediately following their class races.
- ⇒ The **top three finishers in each class** will compete **at the end of the day** in the Class Champion race to determine placings.
- ⇒ The first place finisher in each class will then go on to compete for the title of "Champion of Champions."
- ⇒ All decisions made by the Technical Committee and the Chief Steward are final.
- ⇒ Drivers have the option to use their car numbers from last year, or choose new car numbers on a first-pick basis.
- ⇒ **Car number 1** is reserved for the defending "Champion of Champions."
- ⇒ Drivers randomly draw for their sponsors each year on a first-pick basis. Sponsors are not carried over year-to-year.
- ⇒ Drivers and crews select their own wheels and axle brackets from Commission-supplied stock. At the end of the event, the Champion's wheels and axle brackets are locked-up and are taken out of circulation for one year.
